The Year is 1907. It is ten years after the Phantom's disappearance from the Paris Opera House and he has escaped to a new life in New York having found a place amongst the screaming joy rides and freak-shows of Coney Island. In this new electrically-charged world, he has finally found a place for his music to soar. All that is missing is his love - Christine Daae. In a final bid to win back her love, the Phantom lures Christine to the glittering world of Coney Island with her husband Raoul, and their young son Gustave... unbeknownst of what is in store for her...
