- Full Buffet Breakfast (B)
- Lunch (L)
- Dinner (D)

Accommodation

- Twin/double share with private facilities
- All attraction entry as indicated on itinerary

Day 1 5th September (D) Dubbo - Temora

Depart Dubbo and travel via Parkes, Forbes and West Wyalong to Temora Airport where the Temora Aviation Museum is located for a day of true entertainment. The flying starts at 11.00am with different aircraft flying every half hour. You

will have the chance to speak to the aviators or tell them your story. The flying finishes at 3.00pm but you can look at the aircraft that have flown through the day and hear the commentators speak about them. At 4.00pm the museum closes and we head to our accommodation at Junee. This evening we visit the historic Monte Cristo Homestead for a tour and dinner.

Day 2 6th September (B) Temora - Dubbo

After a leisurely breakfast we visit the Licorice Factory before heading back to Temora for the second day of Temora flying day. The Aviation Museum is in our opinion the best of its kind in Australia. The day finishes at 3.00pm when we depart for Dubbo arriving at approx. 7.30pm.

Bring your own fold up chair.
