Sydney ~ Lord Howe Island

Welcome to Lord Howe Island!

This morning we travel a short distance to the Sydney airport for an early flight to Lord Howe Island. On arrival you will be met by a local operator and transferred to your accommodation. Somerset Apartments are nestled in subtropical palm groves with splashes of colour from Hawaiian hibiscus and fragrant frangipani flowers. The grounds are well planned, with tracks meandering through the palms and gardens, giving a sense of seclusion and tropical mystery. The apartments will be your home for the next 7 nights and are ideally located only 400m from Lagoon Beach, 300m to the museum, visitors centre and walking distance to all main attractions Lord Howe has to offer.

Day 3: Monday 21 October 2024

Lord Howe Island

This morning, enjoy breakfast before our North Bay Turtle and Nature tour. View the large variety of fish, turtles, stingrays and amazing corals of the world's southern most barrier reef on our glass bottom boat, 'Adventure One'. While exploring North Bay you can climb up Mt. Eliza, walk to the Old Gulch or Herring Pools, view the sea bird rookery (seasonal), swim or just sit and laze the day away. Amazing snorkel opportunity is provided through our optional snorkel of the wreck of the 'Favourite' which ran aground here in 1965. This afternoon is at your leisure.

Tonight we enjoy dinner at Driftwood Restaurant & Bar.

Day 5: Wednesday 23 October 2024

BD

Lord Howe Island

This morning is free for you to explore, before this afternoon venturing on the Clear Place Walk. On this easy 3km, 3 hour walk, we see stunning scenery and learn so much about this fascinating island. Learn about our birds, flora, fossils, palm and tourist industry, bush tucker and medicine plus snippets of volcanic and colourful history and more.

Late this afternoon we sit for a showing of three short historical movies from the flying boat days, held at the community hall, before enjoying dinner tonight.

Day 6: Thursday 24 October 2024

BD

Lord Howe Island

View the coral this morning on this two hour coral viewing with Environmental Tours. This tour focuses on exploring the profuse coral seascape and introduces visitors to some of the more unusual lagoon inhabitants such as the endemic double-header wrasse, stingrays and turtles. The tour provides an optional snorkelling experience at Erscott's Hole or you can just relax on the boat and view the stunning diversity of this exotic marine location.

We then hop on board a 2hr cruise enabling you to relax and enjoy the breath-taking views all around Lord Howe Island including the spectacular image of Balls Pyramid creeping up in the distance and sheer mountain cliffs. During part of the 2 hr cruise you will approach the 'Admiralty Islands' which are home to a large percentage of the Island's bird population, a great way to finish the afternoon before dinner tonight.

Day 7: Friday 25 October 2024

BLD

Lord Howe Island

Walk the Little Island Track to view the spectacular aerial courtship displays by the winter breeding providence petrel. One of the world's rarest birds, the providence petrel returns to the island to nest and can be 'called' out of the air, landing at your feet and even climbing into your lap!

We visit Coral Cafe for lunch today, followed by an afternoon at leisure before dinner tonight.

Day 8: Saturday 26 October 2024

BD

Lord Howe Island- FREE DAY

Today you have the day at leisure. Spend the day doing as you please, and we will see you for dinner this evening.

Day 9: Sunday 27 October 2024
